RE: MUR 6756
Winning Our Future and Brent A. Mudd,
in his official capacity as treasurer

Dear Mr. Mudd:

On October 22, 2013, the Federal Election Commission notified Winning Our Future and you as its treasurer (the "Committee") that the Commission had found reason to believe that the Committee had violated 2 U.S.C. § 434(b) and (g), and 11 C.F.R. § 104.4(c), provisions of the Federal Election Campaign Act of 1971, as amended and Commission's regulations. The Commission authorized the Office of General Counsel to enter into negotiations directed towards reaching a conciliation agreement in settlement of this matter. A proposed conciliation agreement was submitted to the Commission for its consideration.

On January 28, 2014, the Commission considered the proposed pre-probable cause conciliation agreement but there were an insufficient number of votes to approve. Accordingly, the Commission closed its file in this matter. A Statement of Reasons explaining the Commission's decision will follow.

Documents related to the case will be placed on the public record within 30 days. See Statement of Policy Regarding Disclosure of Closed Enforcement and Related Files, 68 Fed. Reg. 70,426 (Dec. 18, 2003).
